Sir,

The existing contract with the Company at Kakkally has been decided to be continued upto 31st March 1878 on which date it is to terminate. I have the honor to request that sanction may be accorded for retaining the present Establishment during the current official year.

2. Mr. Blake, Storekeeper, has conscientiously performed duties involving considerable responsibility and as his present pay is only Rs. and not sufficient for the support of himself and his family in the present scarcity, I beg to recommend that he may be allowed an

increase of Rs 30 per mensem from the commencement of the current official year. I trust that the Chief Commissioner may be pleased to sanction this increase both on account of the manner in which the duty has been discharged and on the special ground of the difficulties of living at present.

Sir,

In reply to your No. 3141 of 7th Instant sanc-
-tioning 2 additional Peons to the Dis Allery Guard
at Paulhalli, but calling for a further report of the
necessity for the same, I have the honor to inform
you, that recently more than one attempt has been
made to effect an entrance into or displace bars
&c in some part or other of the Extended buildings
at night, the Strength of the Guard is insufficient
to keep up a perpetual night patrol which is neces-
-sary, and it is reported to me that there is mis-
-understanding between some of the men employed
by the Contractors, which leads parties to one
set to possibly commit these acts of mischief
in order to bring their fellow workmen into
trouble, were this the case it is to the
interest of Government to prevent the act or
detect the Offender, which can only probably
be done by Strengthening the Guard; hence the
grounds of my application which has met
with your Sanction

I have &c.
